

1931 Model A – Slant Windshield

Look Familiar!

This 1931 Model A belongs to Janie Felkins, former President of the Sacramento Capitol A's from 1984/1985 and again in 2002. Unfortunately, Janie can no longer drive one of her favorite cars, but she always said to make sure that it ended up in a good home. The car comes with a few extras; a spare motor and a full set of tires and wheels along with some miscellaneous parts. Price is \$15,000 OBO
