For Sale: As many of you know, I have a restored 1930-31 Model A rolling chassis with title that has been sitting in my shop. David L. has expressed interest in purchasing the frame. If that happens, I would also like to find homes for the front and rear axle/spring assemblies and the remaining restored parts. I have more project ideas than available time, so I'm curious whether there is enough interest within the club to reduce the number of parts I have in stock.

New parts would be sold at current replacement prices, but the advantage is they are in stock and available immediately. As know by many members who needed a part quickly. Examples include: All cast-iron hubs with bearings and brake components, Complete distributor, cap, rotor plugs and brass, Steering wheel.Clutch, pressure plate and bearing, Shackles, Water pump, Two-blade fan.

Restored Parts: Frame with title, Two-tooth steering system, Starter (proven in David's car), Engine (proven in Vicky), Transmission, Bell housing, Radiator, Set of four rebuilt shocks and arms, Front and rear wishbone, spring, and axle assemblies with brake backing plates, All radius rods and engine mounts.

Before I break up what could become a complete running chassis, I'd like to know if there is enough interest to make it worthwhile. My need to sell the frame, wishbone/axle assemblies, rods, and other components if possible. Worth roughly \$2,000.

Let me know what you want, then if I get enough interest I will end my dream of another car from scratch. Contact **Fuzzy** at 916-988-8921.

For Sale: 1931 Ford Model A Sport Coupe that has been in our family since 1976. It has been carefully maintained and enjoyed for decades and is ready for its next caretaker. The car runs, has a clean title, a hydraulic brake conversion (the brakes should receive a thorough inspection before regular driving), a backup camera, matching blue wire wheels, a side-mounted spare tire, rumble seat, rear luggage trunk, and is finished in blue with black fenders. Price: \$14,000. In Citrus Heights. Contact: **Lynn Koller**, 386-679-7351, lynn@cosmicscribbler.com.
